Amazing Animals

It's a zoo in here! This is a unit sure to delight kids who love creatures. We'll be building models of snakes, insects, mammals and more. Each week we'll discuss fascinating facts about the animals we build, from the chameleon that changes colors to the seal model that waddles across the table. Students will love these moving models that celebrate the wonders of the animal kingdom.

If you have a Preschooler who is interested, please let us know and we may be able to accommodate them as well or begin a Prek Class on a different weekday. Thanks.
