2017 PUNCH-CARD Begins June 5<sup>th</sup> and Ends July 27<sup>th</sup>

Midstate Cheer and Tumbling will be closed: **May 27- June 4, July 3-9, & July 31-August 6**

## HERE IS HOW THE OUR SUMMER PUNCH CARD WORKS

Regular monthly tuition is \$55.00 per month, so we tried to find a way for those of you that are busy with summer camps and vacations to still be able to attend tumbling classes so that skills worked on all school year are not lost. Please take a look at your calendar and see how many classes your child might be able to attend during these two months and simply purchase a punch card. Midstate will hold onto the punch card & each time your child attends we will punch your card. Your child may attend any of the classes for her age group. For example, one week she may attend all three classes for her age group and then miss for two weeks for vacation and camps and then attend the third week just once. You can use any combination of classes to complete all classes purchased.
