

Children of Hope Eucharistic Adoration

Friday, Oct. 6, 2017 3:00 - 4:00 P.M.

I

In 1916, the Angel of Peace (the Guardian Angel of Portugal) appeared three times to the three little shepherd children in Fatima, Portugal. These visits preceded the apparitions of Our Lady of Fatima in 1917.

The angel said, "Pray! Pray a great deal! The hearts of Jesus and Mary have designs of mercy for you! Offer unceasingly to the Most High, prayers and sacrifices!" He showed the children how to adore Jesus, taught them some prayers, and asked them to pray and make sacrifices to the Lord in an act of reparation for the sins by which He is offended and of supplication for the conversion of sinners.

For an angel of the Lord to deliver such a special message to three little children, we must realize how important the prayers of children are to God. These messages are for us and our children. If possible, please lovingly give an hour of your time on Friday to Jesus. He will fill your life with an abundance of graces and blessings. God will never be outdone!!!

Hope to see you in Church!
